  <title>Listen Again: Heartache</title>
  <description>
    <![CDATA[ Original broadcast date: October 1, 2021. When stress, fear or sadness weigh on us, our hearts can suffer – even break. But there are ways
    to mend our broken hearts. This hour, TED speakers share stories and ideas about soothing heartache. Guests include cardiologist Sandeep Jauhar, law
    professor Jeannie Suk Gersen, pediatric nurse Hui-wen Sato, and climate activist Knut Ivar Bjørlykhaug. <em>Want to give us feedback? You can take a
    short, anonymous survey at npr.org/podcastsurvey. Tell us what you like, and how we can improve. Thanks!</em> ]]>

<title>Bonus Episode: Jon M. Chu</title>

<description>

<![CDATA[Ever since he started shooting home movies with his family's bulky video camera, Jon M. Chu knew he wanted to be a filmmaker. But after directing several Hollywood blockbuster films like G.I. Joe: Retaliation and Now You See Me 2, Jon felt uninspired by the stories he was bringing to the silver screen. In 2018, he directed Crazy Rich Asians– the first Hollywood film with a majority Asian cast in 25 years – and in 2021, Lin Manuel Miranda's In the Heights. We featured Jon M. Chu in TED Radio Hour's recent episode The Artist's Voice.]]>

<itunes:title>Bonus Episode: Jon M. Chu</itunes:title>

<itunes:author>NPR</itunes:author>

<itunes:summary>

<![CDATA[Ever since he started shooting home movies with his family's bulky video camera, Jon M. Chu knew he wanted to be a filmmaker. But after directing several Hollywood blockbuster films like G.I. Joe: Retaliation and Now You See Me 2, Jon felt uninspired by the stories he was bringing to the silver screen. In 2018, he directed Crazy Rich Asians– the first Hollywood film with a majority Asian cast in 25 years – and in 2021, Lin Manuel Miranda's In the Heights. We featured Jon M. Chu in TED Radio Hour's recent episode The Artist's Voice.]]>

  <title>Manoush's Favorites: Circular</title>
  <description>
    <![CDATA[ We're back next week with brand new episodes of the TED Radio Hour featuring our new host, Manoush Zomorodi. While we finish those episodes, Manoush shares a favorite episode of the show from over the years. This episode originally aired on December 7, 2018. <br/><br/>We're told if the economy is growing, and if we keep producing, that's a good thing. But at what cost? This hour, TED speakers explore circular systems that regenerate and re-use what we already have. Guests include economist Kate Raworth, environmental activist Tristram Stuart, landscape architect Kate Orff, entrepreneur David Katz, and graphic designer Jessi Arrington. ]]>

<itunes:summary>

<![CDATA[We're hard at work on new episodes of the TED Radio Hour, which will start rolling out in March. In the meantime, new host Manoush Zomorodi shares some of her favorite episodes of the show. This episode originally aired on June 21, 2019. When the life you've built slips out of your grasp, you're often told it's best to move on. But is that true? Instead of forgetting the past, TED speakers describe how we can move forward with it. Guests include writers Nora McInerny and Suleika Jaouad, and human rights advocate Lindy Lou Isonhood.]]>

<title>Manoush's Favorites: Slowing Down</title>
<description>
  <![CDATA[ We're hard at work on new episodes of the TED Radio Hour, which will start rolling out in March. In the meantime, our new host Manoush Zomorodi shares some of her favorite episodes of the show. This episode originally aired on August 28, 2016. We're always asked to be faster and more precise. But what can we learn from slowing down – even procrastinating? This hour, TED speakers explore why taking it slow is crucial...for all of us. Guests include TV producer Thomas Hellum, psychologist Adam Grant, blogger Tim Urban, mindfulness expert Andy Puddicombe, marketer Lakshmi Pratury, and video artist Gabriel Barcia-Colombo. ]]>

  <title>Guy's Favorites: What Is Original?</title>
  <description>
    <![CDATA[ As we transition to our new host Manoush Zomorodi, Guy Raz looks back on some of his favorite episodes from his seven years hosting the TED Radio Hour. This episode originally aired on June 27, 2014. When is copying flattery, when is it thievery, and when is it sheer genius? In this hour, TED speakers explore how sampling, borrowing, and riffing make all of us innovators. ]]>
